Wholesale Trailer Supply

OEM-Compatible 5th Wheel Hitches are designed for trucks equipped with an existing under-bed towing prep package, also known as a puck system.

The special anchoring system allows for quick mounting and removal of the hitch. These hitches and adapters are vehicle specific and must be ordered by make & model. (Never exceed the capacity of the lowest rated component)

A-Series 5th Wheel OEM Hitches

Hitch Kit Includes: Head & OEM Legs, Can be Ordered Separately

Long Bed, None Slider

Vehicle	Capacity	Hitch Kit	Hitch Head	OEM Legs
